

ARE WE SETTING THE RIGHT MEASURES?

12 one-shot sessions.

24 Students per session

Total engagement: 288!

1 train-the-trainer sessions w/ TAs.

12 TA's in the session

Total engagement: 12 :-(

But wait, each TA taught a section w/ 24 students. And research skills were integrated across 3 class sessions, instead of just one.

Total impact:

288 students x 3 sessions?

Total learning: ???
